THE PRESENT WORD: GOD'S URGENT CALL *Room 124*

The lessons in this quarter focus on God's call. Throughout the Bible, God calls people to serve God's purposes in diverse ways. These people vary widely in terms of who they are and what God calls them to do. They are people who may be considered "unlikely" to be called in the service of the God of Israel and the God who sent Jesus Christ as the Messiah for the world. God uses people no matter who they are, what they have done, or how improbable it seems that God would use them! Join us each Sunday morning at 9:00 a.m. during the summer. *Led by various teachers*
